THANK YOU FOR *your support*

We want to say a huge thank you for being part of the Greenpeace crew. You're part of a global movement campaigning for a green and peaceful future. We're rising up like never before to fight for our climate, our wildlife and our communities. Everything we do is only possible because of you, so thank you! Your generous support this past year has achieved some momentous wins for our environment. I hope you'll take a moment to remember some of what you've made possible.

YOU have helped ensure The Arctic Sunrise could travel the Indian Ocean, building a strong case for world leaders to agree to a Global Ocean Treaty by bearing witness to the incredible ecosystems that must be protected from destructive human activity.

YOU have helped welcome Coca Cola Amatil to join the growing list of major brands committed to 100% renewable energy by 2025. This commitment will drive a huge amount of renewable energy into the grid.

YOU have helped to expose AGL as Australia's largest climate polluter, and show them that we won't back down until they close their coal-burning power stations.

Thank you

FOR ALL YOUR WONDERFUL SUPPORT AND YOUR CONTINUED BELIEF IN THE POSSIBILITY OF A FLOURISHING FUTURE FOR AUSTRALIA AND THE WORLD.
